75/68 THERMAL-BREAK FOLDING DOOR

ENERGY EFFICIENCY & LUXURY

Featuring advanced thermal-break technology, our 75 and 68 series offer superior insulation and structural integrity. Ideal for high-end residential projects in various climates.

100 WIND-RESISTANT FOLDING DOOR

COASTAL & HIGH-RISE SOLUTIONS

Engineered for extreme weather conditions, the 100 series provides unmatched wind resistance and water tightness for coastal villas and high-rise buildings.

SMART MOTORIZED SLIDING-FOLDING DOOR

AUTOMATION & CONVENIENCE

Integrated with smart home systems, our motorized solutions offer seamless operation and remote control, enhancing modern living and commercial efficiency.

FOLDING WINDOWS (CAFE STYLE)

ANYWHERE STOP TECHNOLOGY

Perfect for kitchens and cafes, our folding windows feature 'anywhere stop' technology and a clean, lower-frame design for a seamless indoor-outdoor transition.

TOP-HUNG & AMERICAN LIFTING WINDOWS

VERSATILE WINDOW SOLUTIONS

From modern top-hung systems for office buildings to classic American-style lifting windows for residential homes, Zturnbuilder provides high-quality solutions for every need.
